Re: Filing for approval – Cancellation and Nonrenewal Notices for Commercial Surety Bond

Filing Reference # DCC-CN-0518#12

These policy forms have been modified to the Oden Policy Terminator software program: Cancellation and Nonrenewal Notices for Commercial Surety Bond are submitted for approval.

Also included is a list of the form numbers for the notices. This is a new filing as this is a new form.

The most current list of member companies on whose behalf we are submitting these filings was emailed April 9, 2018 to Denise Parker, Rate & Form Analyst.

The notices are generated from the ODEN Policy Terminator (PT), which was developed in 1995. The software program is a knowledge based program that meets the requirements of all 50 states and the District of Columbia for commercial and personal lines.

The PT program does not store forms. Rather, it generates notices for the specific state requirements of all variables based on the action being taken, the reason for the action and the policy type or coverage.

Thus, the program assigns a "form number" for each specific situation. The form number is located in the lower left-hand corner of the notice. For example: PC96970801DC42018. (The last 5 digits are not an edition date, but rather the date of the most recent "clause" on the notice.)
